

About Our Fees

Below sets out some basic information regarding our fees which we are publishing in accordance with new regulations that have been issued by the Solicitors Regulation Authority.

We have not included the price information for judicial review claims and appeals as fees for such work varies widely depending on the particular circumstances of the case. Please contact us for a quotation regarding these types of cases.

We are able to offer fixed fee prices for immigration cases.

What do our fees include?

- Attending on you to take your instructions and provide advice
- Advising on supporting documents required and checking these documents
- Drafting legal representations in support of these documents
- Preparing and submitting the application form and bundle of supporting documents
- Liaising with 3rd parties such as the Home Office and court
- Keeping you updated as to the progress of your application

Please note that where you are instructing us for a one-off advice, this shall only include an initial consultation and if required a written advice confirming your instructions and our advice.

What do our fees not include?

- VAT where applicable*
- Postage & courier fees
- Home Office & 3rd party provider fees
- Independent expert reports
